Yes (39); not sure (2); No (2)

12. Did you require a visa to enter the United Kingdom?

Yes (19); No (24)

13. If you required a visa, did you have any problems with the visa process?

Yes (7); No (12)

- Process very cumbersome
- No right of appeal
- Visa granted late making travel difficult, stressful, and more expensive

14. Do you have any other comments?

- Well done to the organisers of the conference. I am looking forward to the next conference.
- The conference was very interesting and the presentations were informative and educational. To know what other nurses around the world are doing and going through meant a lot to me.
- The conference was fantastic.
- I have really enjoyed the conference and thank all the organisers.
- The conference has really motivated my spirit. The program was well organised.
- Thanks for putting this program together. I enjoyed it. Excellent themes and presenters. Hope to attend again. Awesome to have met other nurses and colleagues from the Commonwealth.
- Thank you. Excellent as always.
- Very interesting and informative conference. Congratulations to the organisers. A big thank you to all presenters and support staff.
- Great conference, well organised.
- The conference was very good.
- The conference was wonderful.
- Food was delicious and the conference as a whole was fantastic.
- Thank you to the organisers for keeping an open communication channel throughout the period before the conference and for regularly updating attendees.
- Well done. It was properly organised.

- Thank you for creating such an amazing space within which we were able to network at such a high level.
- I truly appreciate the vast amount of additional knowledge I received. I appreciate the work the CNMF is doing and achieving.
- Very good conference. Thank you for the opportunity to attend and present.
- Highly educative and quality conference to improve nursing and midwifery.
- Well organised and informative conference; very practical issues were addressed.

15. Recommendations

- Have the conference on a Friday and Saturday (not a Sunday)
- Add a pen to the conference bag
- Notify potential participants through the NNA as early as possible
- Consider holding the conference in other Commonwealth countries
- Presentations that involve practical sessions
- More on stress management and nurses' wellbeing
- More input from midwives
- Involve ICN and ICM
- More information about London for people coming to London for the first time
