7th Commonwealth Nurses and Midwives Conference

Thursday 24 and Friday 25 September 2026, New Delhi, India

Commonwealth Nurses
and Midwives Federation

Conference Information

The 7th Commonwealth Nurses and Midwives Conference is being held in partnership with the Trained Nurses Association of India. The Conference will be held on Thursday 24 and Friday 25 September 2026 at the Manekshaw Centre, New Delhi, India.

The world in which we live is constantly changing and presenting new challenges for nurses and midwives to navigate, both personally and professionally.

Digitisation, and the new frontier of artificial intelligence, are transforming the way we provide health care; the way we communicate within and across borders; and the way nurses, midwives and other health professionals are educated.

New frontiers can be exciting and provide opportunities to gain new knowledge and skill. Together, we must navigate these new frontiers safely and successfully to support the provision of quality nursing and midwifery care; develop innovative ways to reach underserved individuals, groups and communities; and promote a healthy and safe global environment.

Join us at the 7th Commonwealth Nurses and Midwives to share how you, and others, are helping to shape the future and navigate new frontiers.
